Veterans Health Administration

Do you still have medical school debt to pay off? The SELRP program can help to accelerate the pay off dramatically while you provide care to our nations heros.

Let the SELRP program help you!

Choose VA for the Benefits

The **Specialty Education Loan Repayment Program (SELRP)** allows VA to recruit physicians starting or currently enrolled in residency training, in medical specialties for which VA had determined hard-to-recruit and meet forecasted workforce projections. Selected participants may receive up to **$40,000** in education loan repayment for each year for up to four years, totaling **$160,000.** SELRP recipients agree to a minimum service obligation of 2-4 years as a full-time patient care provider at a VA health care facility.

Eligible Applicants

👍 **Must be a US citizen**

👍 **Recently graduated from an accredited medical or osteopathic school and matched or pending a match into an accredited residency program in a VHA designated specialty.**

👍 **At least 2 years remaining in your VHA designated residency/fellowship.**

👍 **Owes any amount of principal or interest on a qualifying loan which was used to pay costs relating to a course of education or training which led to a MD/DO degree in medicine.**

👍 **Covered Costs: Tuition expenses; and all other reasonable expenses, including expenses for fees, books, equipment, and laboratory expenses, and reasonable living expenses.**
