

**Title**  
Author(s)  
Prepared and submitted Date

**Background**

Background info including

1. context of the problem
2. Literature on the problem
3. Summary and set up for hypothesis

**Hypothesis**

Brief stated hypothesis

**Study Design**

Type of study

Source of data

Type of analysis

**Study Endpoints**

Describe endpoint(s)

**Statistical analysis**

Describe statistical plan, including

1. Stats tools
2. Power consideration
3. How to show endpoints

**Limitations to Analysis**

Describe anticipated limitations

**Strengths of Analysis**

Describe anticipated strengths

**Budget**

Describe budget

**Bibliography**
