

Emory SCDP ECHO Program: Ebola Mini Series
“Ebola in the Age of COVID” – June 17, 2021
[Additional Resources](#)

In case of identifying Ebola virus disease, it is important to inform the appropriate health officials. Please first contact your state’s public health officials, who will coordinate with the Georgia Department of Public Health, who in turn will coordinate with Emory University as the regional treatment center.

Region IV Ebola Virus Disease Coordination and Transportation Plan
