

COVID-19 ECHO Program

Ebola: What to Know about Ebola in the Age of COVID

Thursday, June 17, 2021

11 AM – 12 PM (EST)

Medical Director/Facilitator: Gavin Harris, MD- *Emory University School of Medicine, Divisions of Pulmonary, Allergy, Critical Care, and Sleep Medicine & Infectious Diseases*

Expert Panelist(s):

- Bruce Ribner, MD, MPH- *Emory University School of Medicine, Department of Medicine, Division of Infectious Disease; Serious Communicable Diseases Program*
- Aneesh Mehta, MD- *Emory University School of Medicine, Department of Medicine, Division of Infectious Disease; Serious Communicable Diseases Program*
- Sharon Vanairsdale, DNP, APRN, ACNS-BC, NP-C, CEN, FAEN, FAAN- *Emory University School of Medicine, Serious Communicable Diseases Program*
- Josia Mamora, Nurse Clinician- *Emory Healthcare; Serious Communicable Diseases Program*

Target Audience: Physicians, nurses, pharmacists, hospital administrators, etc. involved in Ebola care.

Clinic Objectives:

- To update audience on the current Ebola outbreak in West Africa;
- To provide an overview of Ebola epidemiology;
- To discuss Ebola countermeasures and the Ebola vaccine;
- To share lessons learned from Emory SCU's experience treating Ebola patients, such as the ideal composition of the treatment unit, importance of horizontal teamwork, etc.;
- To answer audience's questions about Ebola virus treatment, and prevention.
