

COVID-19 ECHO Program

Ebola: Identify, Isolate, Inform
Thursday, July 15, 2021
11 AM – 12 PM (EST)

Medical Director/Facilitator: Gavin Harris, MD- *Emory University School of Medicine, Divisions of Pulmonary, Allergy, Critical Care, and Sleep Medicine & Infectious Diseases*

Expert Panelist(s):

- Anna Yaffee, MD, MPH- *Emory University School of Medicine, Department of Emergency Medicine; Serious Communicable Diseases Program*
- Marybeth Sexton, MD, MSc- *Emory University School of Medicine, Department of Medicine, Division of Infectious Diseases; Serious Communicable Diseases Program*
- Jessica Tarabay, MPH, MHR, CIC- *Emory Healthcare*

Target Audience: Physicians, nurses, pharmacists, hospital administrators, etc. involved in Ebola care.

Clinic Objectives:

- To discuss processes of identifying, isolating, and informing of a person under investigation (PUI) for Ebola or other special pathogens;
- To share best practices for assessment, management, and placement of PUI for exposure to special pathogens;
- To differentiate a PUI, a person in quarantine, and a person in isolation;
- To answer audience’s questions about identifying, isolating, and informing of a PUI.
