- Candidates should have a strong pre-/post-doctoral publication record in immunology We are interested in applicants working in any area of immunology.
- Position # 24007543 in Talent Center @ join.pitt.edu

Long-term goal is to grow an already strong and diverse department.

We are a highly collaborative & collegial department of 30 faculty that nucleates a larger interactive immunology community (92 faculty).

Multiple programming events collectively enable robust interactions among basic, translational & clinical immunologists.

Dept. of Immunology ranked 7th [US] & 11th [World] (Research.com).

We also host the Center for Systems Immunology (CSI) & three cores.
