

Project ImPACT

Project ImPACT is an evidence based program for children with social and communication delays. Learn how to provide caregivers with a roadmap they can use to help their child communicate, engage, and learn!

- Join our FREE training
- Get certified
- Earn CEUs
- Get valuable workbooks and resources
- Give families tools that work

Virtual Training:
September 8-11, 2025
12:00-3:30
or
January 12-15, 2026
12:00-3:30

“

Most of the programs and training that I go through are the same thing, different words. That's why I like [Project ImPACT] so much because ... it really made it simple and enjoyable, and it made it easy to apply to all my kids.
