

STUDENT EVENTS & ORGANIZATIONS

EMORY
UNIVERSITY
SCHOOL OF
MEDICINE

Our annual Student Organization Fair showcases over 70 groups and organizations – and all are open to all medical students. New organizations are started every year, so if you don't see your favorite interest on the list, you can start a new club. Our Medical School Senate has a budget for student orgs, so funding is available!

VOLUNTEER CLINICS

Bashor Homeless Mens Shelter
Clarkston Unity Health Clinic
Good Samaritan Clinic
Georgia Human Rights Clinic
Harriet Tubman Women's Clinic
Jornada de Salud
Mercy Care Clinic
Mosaic Mental Health Clinic
Preventative Care Cardiology Clinic

SOCIAL CLUBS

Emory Med Run Club

First Gen/Low Income in Medicine
Jewish Medical Student Association
Latino Medical Student Association
Muslim Medical Student Association
South Asian Medical Student Association
Student National Medical Association

EDUCATION & HUMANITIES

Clinical Reasoning
Elementary Pediatric Health Curriculum
Ethics Student Council
French Club
Medical A.I.
Medical Education
Medical Humanities
Medical Improv
Medical Spanish
mEmory Monologues
Narrative Medicine Collaborative
The Styloid Process (literary magazine)

WHITE COAT CEREMONY

First-year students and families participate in the White Coat Ceremony each fall, when students don their physician's garb for the first time and are welcomed to the medical community.

KWANZAA

This annual tradition, honoring the Seven Principles and the shared values of African and African American communities, brings together students, staff, and faculty from all backgrounds for music, ceremony, dance, and dinner.

BIG SIB / LITTLE SIB

First-year students are paired with second-year students to form mentorship "families." A meet-your-sib event is held in the fall. Each society organizes a fun and interactive way to find your sib. (DNA samples *not* required)

PICS WITH SANTA

The Pediatrics Interest Group sponsors this annual "fun"-raiser and plays elf to our Santa. Guess who plays Santa!

LUNCH TIME TALKS (LTTs)

Many organizations bring in guest speakers or host special events such as "Homelessness & Healthcare" or "Hispanic Health Fair" to focus on important topics in health and medicine.

THANKSGIVING DINNER

The first-year class organizes a school-wide meal and fun & games to celebrate food, culture, and gratitude.

IM & CLUB SPORTS

The fiercely competitive teams include flag football, pickleball, softball, volleyball, Ultimate, soccer, rugby, tennis, lacrosse, and water polo. Over 30 teams altogether!

AND MORE!

The Annual Fun Run, Art Gala, Doctoberfest, Passover Seder, EGPA Date Auction, Red Cross Blood Drives, Match Day, Senior Banquet, and the famed Cadaver Ball are just a few more of the many events and gatherings that bring medical students together.
